About ISTE :

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in India with the motto of Career Development of Teachers, Personality Development of Students and overall development of our Technical Education System. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organisations. Being the only national organisation of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE/DST/MIT/State Govts. are well associated with the ISTE for programs relating to technical education. Indian Society for Technical Education as popularly known as ISTE is a journey of excellence for technical education. Initially, Since from its inception in 1944, it was working as Association of Principals of Technical Institutions (APTI) and thereafter as ISTE in 1968. It has grown very fast to achieve its profound goal of professional ideals and standards through State Sections. At present, there are 20 ISTE Sections constituted with in such geographical limits having 500 or more ISTE membership. ISTE Gujarat & MP Sections are such sections working within the geographical limit of Gujarat & Madhya Pradesh.

About ISTE Gujarat Section :

The first managing committee of the ISTE Gujarat Section was established on 30th September, 1989 when Prof. H. V. Bhavnani nominated as the Chairman of ISTE Gujarat Section by the executive council of ISTE, Delhi. The Chairman - Gujarat Section nominated Prof. J. T. Patel as Honorary Secretary-cum-Treasurer and Prof. V. M. Panchal as a member of the Section Managing Committee. The Section is headed by Prof. K. M. Bhavsar as a Chairman and Prof. Nikul Patel as Hon. Sec. cum Treasurer along with their five members in section managing committee. The section has a remarkable strength of 6500 of life members, more than 30000 student members in current year and 132 (89 Degree & 43 Diploma Institutes) institutional members. There are 70 ISTE chapters and equal number of student chapters at the section (Ref. Annual Report of ISTE, 2015).

The section and the chapters organize technical activities like the symposia, seminars, technical talks, visits and exhibitions etc regularly. The Section also organizes annual conventions with state level seminar/conference of Faculty & Student Chapters. ISTE Gujarat Section has an honour to have organized three National level ISTE annual conventions. The section is the recipient of the Best Section Award for the year 2011 and has also received a Special Certificate of Appreciation from ISTE - ND, for its innovative work (Documentary film on ISTE Gujarat) in the year 2015. **The Section has organized First of its kind an International Conference in the year 2016 at Pattaya-Thailand.**

About ISTE MP Section :

The ISTE MP Section is one of the oldest ISTE Sections and was created by the Directorate of Technical Education M.P. for the overall development of the technical education system in the state. The section has there after kept a pace forward with continuous growth and development till today. It has now a remarkable strength of around 2500 Life members, student members and institutional members. Dr. Ashish Dongre is serving as the Chairman of the ISTE MP & CG Section since 2012. He has served as Director of Technical Education M.P. for six years and as Vice Chancellor of R. K. D. F. University, Bhopal for 2 years.

The section and the chapters organize technical activities like the symposia, seminars, technical talks, visits and exhibitions etc regularly. The ISTE MANIT Bhopal chapter organises national level student's activities. The Section has been awarded as the Best Emerging Section for the year 2014.

CALL FOR PAPERS :

You are welcome to send your research abstract to The 2nd International Conference by ISTE on "Reaching the Unreached: A Challenge to Technological Development (RUCTD 2018)" which will be held on **19th - 20th November 2018.**

Researchers, academicians, social workers, policy makers and other stakeholders are welcome to submit your original research papers to conference. We invite to send your original research abstracts, case studies formatted to given format in the Abstract submission Guidelines (as stated in <https://istegujarat.in/ructd2018>) before the Abstract submission deadline. All research papers will be evaluated by international recognized scholars in a double-blind reviewing process and research papers will be selected according to the international research standard. All the accepted research papers/abstracts will be eligible to be presented at the conference and they should submit papers and register within deadline as per the instructions on <https://istegujarat.in/ructd2018>.
