About Tolani F. G. Polytechnic

: VISION :

To develop skilled, creative and socially sensitive engineers to satisfy the needs of a changing society.

: MISSION :

Imparting value added technical education for skill development through adequate resources, while developing aptitude for lifelong learning and promoting creativity, innovation and entrepreneur spirit.

Tolani F.G. Polytechnic, established in 1959 by visionary founder Late Shri Kaka Pribhdas Tolani. Tolani F.G. Polytechnic (TFGP) is the oldest institution in the Tolani Vidya Mandir Campus made of as many as nine higher education institutes at Adipur-Kachchh. TFGP has an unmatched record of producing more than 150 state rankers in last 10 years. In the latest results (6th Sem 2022 Batch) declared by the GTU, the Institute has been ranked 1st in the state (out of more than 120 diploma colleges in Gujarat) and 9 Rankers in University. Institute has received BEST ISTE Chapter award in year 2006, 2008, 2009, 2014, 2016, 2017 for its performance in various students activities. Institute has received ISTE GUJARAT BEST POLYTECHNIC Award for overall performance in year 2017.

About ISTE

The Indian Society for Technical Education is a national, professional, non-profit making Society registered under the Societies Registration Act of 1860. First started in 1941 as the Association of Principals of Technical Institutions (APTI), it was converted into "Indian Society for Technical Education" in 1968 with a view to enlarge its

18th ISTE
Gujarat State Annual Students Convention

activities to advance the cause of technological education. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE/DST/MIT/State Govts. are well associated with the ISTE for programmes relating to technical education.

About ISTE Gujarat Section

Gujarat section now has a remarkable strength of 6,500+ of Life Members, more than 50,000 Student Members and 153 (97 Degree & 51 Diploma Institutes) Institutional Members. There are 70 ISTE Chapters and almost equal number of student chapters under the section.

REPORT ON SUB-EVENT

POSTER PRESENTATION

- No. of Participants: 34
- Total Prize Amount: Rs. 7500/- (1st Prize = 3000/-, 2nd Prize = 2500/-, 3rd Prize = 2000/-)
- Name of Judges: Mr. J. B. Hemnani
- Event Coordinator: Ms. Priyanka Trivedi

Brief of Event:

Poster Presentation event was organized from 1:30 PM to 3:00 PM Event was started with the floral welcome and memento to judge and all participants were welcomed with words. Participants were required to make A2size poster on any one of the given theme and present the same.

The theme was related to Civil engineering topic like,

- 1) Low cost housing,
- 2) Artificial ground water recharging,
- 3) Civil industry responsible for global warming, 4) Recent trends in civil engineering.

The judging criteria included originality, creativity, detailing, relevance to the theme given and overall performance of the participant to present the poster. The judge for the Poster Presentation Competition is working as a senior executive engineer in SRC (The sindhu resettlement corp. ltd.) and having vast experience in Civil engineering field.

The competition was a huge success, and it provided a platform for students to explore their talents and creativity. The event also helped to promote the use of technical Logics and skills in a positive and constructive manner. Overall, the Poster Presentation competition at the Tolani Polytechnic institute was a great opportunity for students to showcase their Technical skills and creativity in Civil Engineering field.

Participants were required to make Instant model based on Civil Engineering Structures as per the Dimensions and Material provided to each group of students.

The judging criteria included Model Completed, Dimensions, Creativity, Aesthetic Appearance and Load carrying capacity. The judge for the Model Making Competition is running an Institute for Interior Design and also been working with various government Architectural Structures and having vast experience in Designing Residential as well as Existing Ancient Structures.

The competition was a huge success, and it provided a platform for students to explore their talents and creativity. The event also helped to promote the use of technical Logics and Team work in a positive and constructive manner. Overall, the Instant Model Making competition at the Tolani Polytechnic institute was a great opportunity for students to showcase their Technical skills and creativity in making Civil Engineering Models

Winners

1st Prize	Laykumar Patel, Jainam Panchal Neel Mistry	G. H. Patel College Of Engineering & Technology.
2nd Prize	Pushpendra Khimani, Asmruti Pandit, Param Rajyaguru And Puneet Acharya	Tolani F.G. Polytechnic.
3rd Prize	Krishn Rathod, Rajesh Vaghamshi, Arham Shah And Karan Solanki	Tolani F.G. Polytechnic And G.P. Bhuj.

MODEL MAKING COMPETITION

- No. of Participants: 22
- Venue: Workshop at Mechanical Engg. Deptt.
- Total Prize Amount: Rs. 7500/- (1st Prize= 3000/-, 2nd Prize= 2500/-, 3rd Prize= 2000/-)
- Name of Judges: Mr. Lal Adwani and Mr. Prakash Brahmkhatri.
- Event Coordinator: Mr. H.G.Sagar and Mr. Y.C.Raja

Brief of Event:

Model making competition “Best From Waste” was organized from 3:00 Pm to 4:30 Pm. Event was started with first of all brief introduction of both Judges to all participants and give all necessary instructions to all participants by both event coordinators. Participants are allowed to maximum 3 members in a group and time allowed to make the model is 1 hour. All participants are awarded about the tools, instruments and facility available at the workshop. All the facilities available at the workshop. All the facilities participants can use by their own. Both event coordinators and judges checked the raw material carried by participants in disassemble condition and give permission to use them.

The competition was huge success and it provide a state level platform to explore their technical knowledge and how to better use of any waste material after the time period over.

Judge visit all the team of participants. Participants explain about their model and judges ask them mechanical fundamentals and skill used to prepare the model. Both judges are experienced and very successful entrepreneur in their field.

Best projects were judged based on the following criteria:-

1. Usefulness of the project prepared.
2. Demonstration of mechanical principles
3. Creativity
4. Presentation

Winners List

1 st Prize	Harshil Kanakhara, Nakum Sagar & Pithiya Hemal	G. P. Jamnagar	Vacuum Machine
2 nd Prize	Jethwa Ravirajsinh & Nakum Vivek	G. P. Jamnagar	Pick & PlaceRobo
3 rd Prize	Jatin Dhanwani, Varun Sanjeev Yash Chauhan	T.F.G.P. Adipur	Hydraulic Jaw

ROBO RACE (KUTCH JI SHER)

- No. of Participants: 06
- Total Prize Amt: Rs. 10000/- (1st Prize = 4000/-, 2nd Prize = 3500/-, 3rd Prize = 2500/-)
- Name of Judges: Mr. Dipesh M. Chauhan
- Event Coordinator: Mr. Pankil H. Vakani, Mr. Jitendrasinh V. Chauhan

ELECTRICAL QUIZ

- Number of Participants: 43
- Prize Amount : Rs.5500/- (3000/- + 2500/- + 2000/-)

Brief about Event :

This event was conducted in 2 stages:-

1st Stage: - Screening Round. Time:- 12: 30 PM To 1:00 PM

All the students who had Registered were sent link in the form of google form on their whatsapp number.

In this round 25 MCQ based on GK / Current affairs and basic Electrical Engg. were asked.

There was negative marking for every wrong answer.

12 students qualified for next rounds four teams were formed

2nd Stage: - This stage consist of 3 Rounds. Time:- 01: 30 PM To 03:00 PM

Round # 1:- MCQ based questions on Electrical Engg. / GK / Current affairs.

Round #2:- Identification of components / Elec.Machine parts / Symbols.

Round #3:- Circuit Solution/Analysis.

Prizes were given to 1st three teams.

HARMONIC HUSTLE

- No. of Participants: 56
- Total Prize Amt: Rs. 6000/- (1st Prize = 2000/-, 2nd Prize = 1200/-, 4 Prizes= 700/-each)
- Event Coordinator: Mr. Kashyap M Gandhi
- Technical Assistants: Mr. Yogesh Kingrani & Mr. Kamal Valecha
- Anchors/ Volunteers: Mr. Jaimin Lalwani, Ms. Vidya Vishariya & Mr. Hardik Jepar

Brief of Event:

Harmonic Hustle event was organized from 11:00 AM to 12:30 PM. Event was started with the distribution of pages for 3-phase 4-wire system preparation by each participant along with list of 50 electrical & electronics terms and all rules & regulations were informed to participants. Participants were required to guess a correct term after listening a song and a hint announced by anchors and if that particular term was selected in their 3-phase 4-wire system, it would be marked.

Participants who have correctly guessed terms selected in R-phase, B-phase and Y-phase earliest were announced as winners and awarded with Rs.700/- each. Participants who have completed full 3-phase 4-wire system by guessing the correct terms earliest and the next to earliest were announced as winners and awarded with Rs.2000/- and Rs.1200/- each.

The dash-board software for 50 songs and related electrical & electronics terms was prepared by Mr. Yogesh Kingrani and set-up of speakers & mikes and multimedia projector was done by Mr. Kamal Valecha. The whole event was Co-ordinated by Mr. Kashyap Gandhi.

The event was a huge success, and it provided a platform for students to explore their understanding of fundamental electrical & electronics terminology. The event also helped to promote the use of entertaining songs in a positive and constructive manner. Overall, the Harmonic Hustle event at the Tolani Polytechnic institute was a great opportunity for students to showcase their fundamental clarity of technical terms.

TECH LED DISPLAY

Details

- Number of Participants : 22
- Prize Amount : Rs.8000/- (3500+2500+2000)
- Event Co-ordinators : Sh. Nimesh D. Prajapati & Sh. Manish K. Chawda

Brief of Event:

ROUNDS:-

1. Teams have to verify all components with committee members.
2. After verification all of components and materials, teams have to complete circuit connection in given time.
3. Circuit completed with LED working display in least time will be considered as winner.

Duration:- 1 hour 30 minutes (Time:- 03:00 PM To 04:30 PM)

Location:- ELECTRICAL BUILDING (ELECTRONICS / MICRO LAB)

RULES:-

1. Participations can be maximum 5 students in a Team.
 2. Each Team will be provided general purpose PCB, Soldering iron, solder wire with flux by host institute.
 3. Teams should bring their own laptop and cable required for the programming of Arduino.
 4. Students should keep following programs ready for LED display matrix. (LED DOT MATRIX DISPLAY NOT ALLOWED)
(a) 4 x 4 (b) 6 x 6 (c) 8 x 8
Above LED matrix required for Arduino (nano) to run the circuit.
 5. Students have to bring their own materials like LED, Resistors & ICs, Arduino uno / Arduino (Nano) required for circuit.
 6. Any false argument with judge may lead to disqualification of team
- Decisions of judges and committee of institute will be considered as final decisions.

TAKE HEART IN ART WITH AI

Details

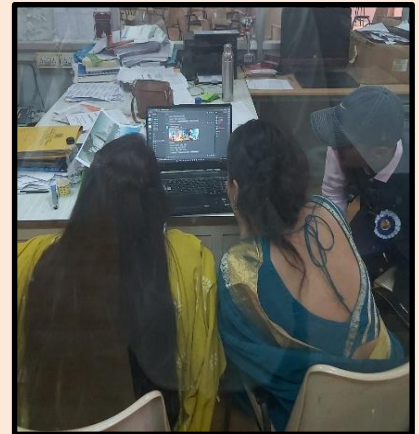

- Total Number of Participants : 95
- Total Price Amount – 7500 (1st Price – 3000, 2nd Price – 2500, 3rd Price – 2000)
- Winners - Winner : Mohit Manglani(Computer Dept - TFGP)
1st Runner Up : Kush Dave(Computer Dept - TFGP)
2nd Runner Up : Krisha Prajapati(Computer Dept - TFGP)
- Judge: Ms.Ami Shah
- Event Coordinator : Yesha Dave

Event Description :

- Two rounds will be there
- Round 1: Group of 3
- 20 mins
- Will be given an image , you need to draw it as similar to it as you can
- Based on result of round 1
- Best groups will be selected.
- Round 2 : Individual
- Topics will be given and you have to picturise it in 20 mins

Review/Feedback :

- Well organized with a perfect rhythm.
- Highest Participants of all Events.
- Student Coordinators did an incredible job putting this event together.
- Event was a great opportunity to get hands-on experience with new technologies.
- Participants had the pleasure to art with new Trending tools of AI.

RUN-TIME TERROR

Details :

- Total Number of Participants : 68
- Total Price Amount – 8000 (1st Price – 3500, 2nd Price – 2500, 3rd Price – 2000)
- Winners: Winner : Kunal Lakhwani(Computer Dept - Faculty of Baroda(MSU))
1st Runner Up - Avadiya Shivam(Computer Dept - TFGP)
2nd Runner Up - Mohit Keswani(Computer Dept - TFGP)
- Judge: Mr. Advani - Retd IT Dept IFFCO
- Event Coordinator : Mr. Yatin Dave

Event Description

- Three rounds will be there.
- Round 1: Group of 2
- 20 minutes
- Find the error from the given code.
- Round 2: Qualified groups from Round 1.
- 20 minutes
- Code for the given output.
- Round 3: Finale Round
- Qualified Groups from round 2 have to play individually i.e. if your group has qualified in Round 2 then in the finale you both will be considered individual participants.

Review/FeedBack

- Well organized with a perfect rhythm.
- Student Coordinators did an incredible job putting this event together.
- Level of expertise of the Judge at the event was amazing.
- Loved the spirit and enthusiasm of all participants.
- Good Knowledge of C and C++.

KHILADI 404
